

Deal Registration Program Guidelines

The ideamapper Deal Registration Program (“Program”) is available to all ideamapper Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new ideamapper sales opportunities.

Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and ideamapper.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- Earns 5% protected discount on deals consisting of a minimum of 1,000 licences.

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by ideamapper at any time.

Program Overview

Resellers can leverage their sales teams to register eligible ideamapper sales opportunities through the ideamapper Registration Program. Eligible ideamapper sales opportunities are defined as deals that are:

1. Not currently registered in the ideamapper Deal Registration system.
2. Net new to the ideamapper sales pipeline.
3. Have an incubation period of at least ten business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 5% discount off Reseller unit cost if the deal is closed within program requirements. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal, or can be retained as additional margin. ideamapper has authorized **Douglas Stewart Software + Services** to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.

ideamapper reserves the right to negotiate directly with the end user on any opportunity with an expected purchase order by the end user that will be over \$50,000 in ideamapper products. If ideamapper sets the price, a margin will be worked out with distribution and the reseller as part of the large order.
